# THE GROWING SEASON

FIRST UNITED METHODIST CHURCH

---

"The Growing Season" is upon us, and each week First Church will be focusing on one the "five visions" -- Worship, Christian Education, Missions & Outreach, Evangelism, and Stewardship. The Methodist Witness will include featured articles on each vision over the coming weeks.

Dear Church Family,

As Christians, we long to truly know our Creator, to deeply understand Jesus’ teachings and to seek and know the work of the Holy Spirit in our lives. We want to grow in our understanding of faith and be transformed into disciples of Christ.

At First Church, we seek to provide a strong Christian Education program that encourages you to expand your knowledge, process your Christian experience and advance your faith. Christian Education is about gaining information from God’s Holy Word and synthesizing our Christian experience. It is here that our knowledge begins

to take shape with the help of Christian believers who process and grow in tandem with us.

Each year, the Christian Education Team strives to offer a comprehensive Christian Education program that includes Bible Study classes, Faith Formation classes and Christian Living classes where you can engage in challenging conversations and explore your questions of faith with others on your journey.

We invite you to look at this Fall’s catalog of classes offered and become active learners of the faith. There are 13 adult Sunday School classes, nine Bible Studies, six Faith Formation classes, seven Christian Living classes and various Community groups. Our prayer is that you find at least one opportunity to advance your personal Christian Education experience and be transformed by the Holy Spirit.

In Him,

**Lisa Bond**
