A NEW WAY TO CONNECT

6:00PM | GREAT HALL

## WHAT IS A COMMUNITY GROUP?

Community Groups are intimate groups that commit to meet and connect with each other. They encourage one another to grow in their understanding of the Gospel as they live out their faith.

## HOW IS THIS DIFFERENT FROM CLASSES & STUDIES?

Community Groups are intended to foster deeper relationships with God and group members, which encourages greater transparency, transformation, and accountability during and outside group time.
