Safe Sanctuaries

Because we are committed to keeping every child safe, First United Methodist Church adheres to the Safe Sanctuary policies recommended by our conference at the United Methodist Church. This means we require background checks on all of our teachers, enforce the student-teacher ratio, as well as, require a registration form on every child and enforce drop off and pick up policies. We hope you understand that our staff and volunteers working with your children want to make our church a safe place for children and therefore, request that you support our efforts to do so.
